

LEXINGTON EZ

The solid wood LEXINGTON Futon frame comes with an all wood back and bottom deck (EZ) supported by solid wood slats that help form to the shape of your body by flexing under pressure. This high-performance approach also responds to the weight of your body thus integrating strength with comfort to create a complete sleep system. The armrests are stylishly accented with red distressing that makes this futon stand out in any room setting with a stunning overall EBONY finish on the arms and beadboard sides that adds the final touch elegance.

- Arm Height: 23.75"
- Combined Weight: 149.8 lbs.

Features:

- Seating Capacity: 3 Adults
- Warranty: 1 Year Limited Warranty

Product Care

- Wood Care: Wipe spills quickly with a clean soft cloth. Some types of paper towels may leave marks and are not recommended. After wiping spills and during normal maintenance, use a non-silicone-based furniture polish on all wood surfaces. Periodic tightening of the bolts is recommended depending on use
- Mattress Care: Use a clean damp cloth with warm water and a mild detergent to remove any unsightly surface stains on the mattress. Test a small hidden area first to make sure the soap you're using does not further stain or change the color of the mattress. Avoid soaking the mattress as this may cause damage. Periodic vacuuming of the mattress is recommended.
