

10" MICROFIBER MATTRESS

All BigTreeUSA mattresses come with 272 13-gauge hand-tied Steel Coils that make this mattress firm enough for a comfortable night's sleep yet flexible enough to make opening and closing your futon quick and easy. The blended fiber batting and textile fiber pad with a Protective Cotton Insulator Pad on all sides make this the ideal futon mattress for sitting or sleeping. The plush Microfiber mattress cover is 100% polyester and comes in 3 colors: Gray, Cocoa, and Sand. Shipping Dimensions 75"L X 25" Diameter. Our mattresses are made in the USA. Sitting and sleeping are better with springs!

- Overall Dimensions Closed:
H X W X D 75" x 54" x 10"
- Weight: 77.9 lbs.

Product Care

- Mattress Care: Use a clean damp cloth with warm water and a mild detergent to remove any unsightly surface stains on the mattress. Test a small hidden area first to make sure the soap you're using does not further stain or change the color of the mattress. Avoid soaking the mattress as this may cause damage. Periodic vacuuming of the mattress is recommended.
